

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

MARCH 31, 2009

In November 2008 this Board directed the Chief Executive Officer (CEO) and the Department of Public Social Services (DPSS) to issue a new request for proposals (RFP) for the Greater Avenues for Independence (GAIN) Case Management Services due to concerns regarding the Consensus Scoring Methodology used to evaluate the proposals. The Board also directed the CEO to develop a new standard methodology for the evaluation of future competitive procurements in all County departments.

Now that the new methodology has been developed, it is appropriate to determine if we can use this new methodology to evaluate the proposals in response to the 2008 GAIN RFP, rather than incur the hundreds of thousands of dollars in costs and the delays associated with a new RFP process.

I THEREFORE MOVE THAT THE BOARD

1. Direct the CEO and DPSS to suspend the new solicitation process for GAIN Case Management Services.
